

## Statement of Work

### Overview

To utilize my knowledge, skill and talent in a way that successfully demonstrates my ability within the core competencies required to not only fill the role of Software Engineer Team Lead @ Passport, but to excel within it.

Start Date: June 28th, 2019

**\*Expected Delivery Date: July 6th, 2019**

### *\*Disclaimer*

Given the Independence Day holiday next week, I've allowed more time than I would otherwise, and would feel comfortable submitting this in half the time, or 3-4 days.
